

Returns Policy - Custom Cubes Shop

What is the right of withdrawal?

The right of withdrawal means that in the case of a contract concluded online, you may unilaterally withdraw from the contract based on legal authorization. If the product is returned, you may request a refund of the amount you paid from the merchant. The right of withdrawal compensates for the fact that before the purchase you did not have the opportunity to inspect or try the product, and that you could rely only on the information provided solely by the seller before making the purchase.
